SPRING 2016  
WORKSHOP  
SAT. MAY 14TH

MOBILE WORKSHOPS FOR MOBILE LEARNERS

**INTO THE BLUE: CYANOTYPE + DIGITAL NEGATIVES**     \$75  
INSTRUCTOR: SIOBHAN ARNOLD

**LOCATION: SPACE 4 ART - 325 15TH STREET SAN DIEGO, CA 92101**

The Cyanotype is an early form of photographic printing that yields a beautiful Prussian blue tone. Using analogue or digital capture, you will learn to create a large format digital negative that can be used to contact print your images on to watercolor paper. The day will begin with a downtown walking/shooting tour, then back to the workshop for prepping and printmaking. All Participants will take home a minimum of 3 prints. To register go to [www.building-bridges.org/mobile-workshops](http://www.building-bridges.org/mobile-workshops).
